

Subject card

Subject name and code	The Psychology of Emission and Motivation - lecture, PG_00133996						
Field of study	Criminology						
Date of commencement of studies	October 2024	Academic year of realisation of subject			2024/2025		
Education level	Bachelor's studies	Subject group			Obligatory subject group in the field of study		
Mode of study	part-time studies	Mode of delivery			at the university		
Year of study	1	Language of instruction			Polish		
Semester of study	2	ECTS credits			3.0		
Learning profile	academic	Assessment form			exam		
Conducting unit	Faculty of Law and Administration -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Magdalena Nilidzińska				
	Teachers		dr Magdalena Nilidzińska				
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	15.0	0.0	0.0	0.0	0.0	15
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	15		0.0		60.0	75
Subject objectives	To familiarize students with the regularities of the functioning of emotional and motivational processes according to contemporary theories and concepts of general psychology. Students will develop a basic network of theoretical psychology concepts to describe, analyze a person's behavior, feelings and experiences, allowing them to adequately understand and explain the reasons for specific behavior in a given social and situational context. Students will learn to independently use knowledge in the field of general psychology to describe, analyze and explain antisocial and antisocial behavior.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[KRYML3_UU03] He/she can acquire knowledge independently and develop his/her professional skills, using various sources (in native and foreign language) and modern technologies.	Acquires skills in searching and developing knowledge regarding the proper functioning of emotional and motivational processes.	[SU2] presentation/project/paper/report
