

Subject card

Subject name and code	The impact of space design and development on local safety - lecture, PG_00134401						
Field of study	Criminology						
Date of commencement of studies	October 2024	Academic year of realisation of subject			2026/2027		
Education level	Bachelor's studies	Subject group			Optional subject group		
Mode of study	part-time studies	Mode of delivery			at the university		
Year of study	3	Language of instruction			Polish polish		
Semester of study	5	ECTS credits			3.0		
Learning profile	academic	Assessment form					
Conducting unit	Faculty of Law and Administration -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Katarzyna Szlachetko				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	15.0	0.0	0.0	0.0	0.0	15
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	15		0.0		60.0	75
Subject objectives	The purpose of the course is to familiarize students with the system of planning and spatial management, as well as with the suitability of planning and development instruments (in particular, local spatial development plans and local revitalization plans) for building local security by public administration bodies. Achievement of the indicated goal will be served by both the analysis of the legal conditions of spatial management and urban planning methods and techniques.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[KRYML3_UU02] He/she can use basic theoretical knowledge in the field of criminology and related disciplines in order to analyze, interpret and solve problems related to criminology.	Has elementary knowledge of the system of planning and spatial development, as well as the suitability of planning and spatial development instruments for building local security by public administration bodies. He freely uses the conceptual grid of planning and spatial development.	[SU4] test/exam - oral or written
	[KRYML3_WG02] The graduates knows the basic terminology and basic concepts in the field of law, criminology and related sciences.	Is ready to participate in the preparation of projects in the field of planning and spatial development, in the field of building local security by public administration bodies, understands the need for continuous expansion of knowledge due to changing legislation and civilization conditions	[SW4] test/exam - oral or written
	[KRYML3_KK01] The graduate is aware of the level of his/her knowledge and skills and understands the need for lifelong learning.	Is able to use and integrate theoretical knowledge in the field of planning and land use planning in order to analyze and interpret the problems occurring in this area in terms of local security. Has the ability to perceive both the benefits and threats to local security resulting from the indications of the planning and zoning system. Has the ability to recognize the multifacetedness and complexity of the problems that arise in the area of planning and land use, in terms of local security	[SK4] test/exam - oral or written
Subject contents	<p>Introductory classes</p> <p>The concept of local security</p> <p>The importance of planning and land use for local security. Urban planning approach</p> <p>Construction of the planning and space development system</p> <p>The role of the municipality in the system of planning and space development</p> <p>Legal nature, editorial form and functionality of the local spatial development plan and local revitalization plan</p> <p>Scope of statutory authorization to enact a local land use plan vs. local security</p> <p>Scope of statutory authorization to enact a local revitalization plan vs. local security</p> <p>Workshop on design of planning documents</p>		
Prerequisites and co-requisites			
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	test, written exam	51.0%	100.0%
Recommended reading	Basic literature	<p>- ustawa z dnia 27 marca 2003 r. o planowaniu i zagospodarowaniu przestrzennym</p> <p>- ustawa z dnia 9 października 2015 r. o rewitalizacji</p>
