Subject objectives	The subject may include any form of social involvement in various areas of socio-cultural and educational life. The subject is intended to shape attitudes of empathy and social sensitivity to contemporary social problems. It is also intended to give an idea of what civil society is and how to realise one's activity for the benefit of others. The field classes are intended to enable the student to realise in practice a project planned as part of the conversion course in this subject, in cooperation with a selected institution.
