Subject objectives	The purpose of the course is to familiarize students with the current interpretation of the law in the area of social work on behalf of the family and other related laws, relating to the family. Students will be able to use it efficiently in order to solve legal problems of social work clients or to provide proper information. They will learn about the scope of the client's legal rights and obligations to support him and his family, to protect them from exclusion, violence or other threats.
