Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		18.0	50
Subject objectives	A class focusing on the decolonisation of New Zealand and Australian cinematography. Students will examine the impact of European colonisation on the development of the film industry there, the ways in which Indigenous communities are represented, and the process of reclaiming narratives by Indigenous filmmakers. They will focus on analysing both classic and contemporary productions that break down colonial patterns of storytelling. The subject complements film studies knowledge with issues absent from the canon and rarely addressed.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[WOFKAL3_W05] He/she knows professional terminology in the area of art sciences and cultural sciences, with particular emphasis on film studies and audiovisual culture.	Familiar with professional terminology in the arts and cultural sciences, with particular reference to Australian and New Zealand cinema. Has advanced knowledge of the historical and cultural context of Australian and New Zealand cinema and its relationship to other areas of study and fields of contemporary life.	[SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report [SW3] text preparation/written work
Subject contents	The origins of the Fourth Cinema - Barry Barclay's theory and cinema as an instrument of Indigenous sovereignty. Third vs. Fourth Cinema - ideological, aesthetic and political differences. Merata Mita - the female perspective and decolonisation through image. Once Were Warriors - commercial success versus crisis of Maori representation. 'The Piano' - colonial narrative and the exclusion of Indigenous characters. 'Whale Rider' - feminism, myth and Western perspective in cinema about Maori. Symbolic and real violence - the impact of colonialism on the language and aesthetics of cinema. Documentary as a form of resistance - film practices of indigenous communities. 'Te Rua', Ngāti, Mauri - case studies and Indigenous epistemology. Aboriginal cinema - the politics of representation and reclaiming voice in Australia. Intellectual property and image sovereignty - who tells whose story? Dreaming and the relationship to Country - spirituality as a narrative structure. Indigenous heroines and heroes - from passivity to subjectivity. Indigenous women's work - resistance to patriarchy and colonial narratives. Festivals, institutions and the market - how contemporary Indigenous cinema functions in global circulation.
