University of Gdańsk

Subject card

Subject name and code	Anthropology of future, possibility and hope, PG_00179472		
Field of study	Ethnology		
Date of commencement of studies	October 2025	Academic year of realisation of subject	2025/2026
Education level	Master's studies	Subject group	Obligatory subject group in the field of study Optional subject group Subject group related to scientific research in the field of study
Mode of study	full-time studies	Mode of delivery	at the university
Year of study	1	Language of instruction	Polish
Semester of study	1	ECTS credits	4.0
Learning profile	academic	Assessment form	exam
Conducting unit			
Name and surname of lecturer (lecturers)	Subject supervisor	dr Anna Zadrożna	
	Teachers	dr Anna Zadrożna	

Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	30.0	0.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						

Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan	Participation in consultation hours	Self-study	SUM
	Number of study hours	30	27.0	43.0	100

Subject objectives
1. Familiarization with basic issues in the field of anthropology of the future 2. Placing anthropology of the future in the broader context of research on temporality 3. Ability to distinguish between concepts such as hope, possibility, and expectation 4. Familiarization with basic methods used in ethnography of the future 5. Acquiring the ability to synthesize and analyze text

Learning outcomes

Course outcome	Subject outcome	Method of verification
[ETNOMU2_K02] Is prepared to initiate and actively participate in activities for the preservation of national and world cultural heritage	Students are prepared to participate in activities aimed at protecting and reinterpreting cultural heritage in the context of future challenges.	[SK4] test/exam - oral or written
[ETNOMU2_U06] Is able to carry out a critical analysis and interpretation of various types of cultural products, applying original approaches, taking into account new developments in the humanities in order to determine their meanings, social impact, place in the historical-cultural process	Students are able to carry out critical analyses of cultural phenomena related to the future, identifying their meanings and potential social impacts.	[SU4] test/exam - oral or written
