Number of study hours	0.0	0.0	0.0	0.0	30.0	30

E-learning hours included: 0.0

Learning activity and number of study hours

Learning activity	Participation in didactic classes included in study plan	Participation in consultation hours	Self-study	SUM
Number of study hours	30	10.0	260.0	300

Subject objectives

The aim of the seminar is to improve the scientific workshop, methods of seminar work and ultimately adapt the form of the master's thesis, in accordance with the expected profile of the seminar, and use the acquired knowledge in practice. The aim of the Master's Seminar IV is to continue work on the master's thesis. The final goal is to prepare a master's thesis on a specific topic and pass the diploma examination.

Learning outcomes

Course outcome	Subject outcome	Method of verification
[KiTHMU2_W03] In-depth knowledge of the methods, research problems, and research methodology of selected fields of history, including regional, social, economic, and cultural history; advanced knowledge of the subject matter and methodological specificity of history and management and quality sciences	Student has extended knowledge of methods and problems as well as research techniques in selected fields of history related to his/her master's thesis; has indepth knowledge of the subject and methodological specificity of the humanities and social sciences, especially in relation to the teamwork of the master's thesis.	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report [SW3] text preparation/written work [SW5] implementation of a problem task
[KiTHMU2_U05] Correctly uses professional terminology in speech and writing appropriate to the disciplines of history, management and quality sciences.	Student uses correctly in speech and writing professional terminology appropriate for the disciplines that are related to his master's thesis and to which the field of study is assigned.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU5] implementation of a problem task
[KiTHMU2_U04] Possesses developed skills in preparing extensive written works, commenting correctly, annotating and preparing texts for publication, in accordance with the canons of criticism adopted in the discipline of history.	Student has developed skills in the field preparing extensive works written documents, including the master's thesis, correct commenting, annotating footnotes and preparations for publication of texts, in accordance with canons of criticism adopted in area of humanities.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU5] implementation of a problem task
[KiTHMU2_U03] Obtains, verifies, critically analyzes and systematizes information on historical sciences, using bibliographies, finding aids, databases and internet resources useful in researching issues related to local history and historical tourism	The student acquires, verifies, critically analyzes and systematizes information needed for the master's thesis, using bibliographies, finding aids, databases and Internet resources useful in researching issues related to touring and historical tourism.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU5] implementation of a problem task
[KiTHMU2_K08] Strives for objectivity in the approach to social communication, identifies and critically evaluates manifestations of the instrumentalization of knowledge by national, social and political groups	When writing a master's thesis, the student strives for objectivity in the approach to social communication, demonstrates responsibility and civil courage in opposing the instrumentalization of knowledge by national, social and political groups.	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report [SK3] text preparation/written work [SK5] implementation of a problem task
[KiTHMU2_K01] Is aware of the scope of his/her knowledge and technical skills and demonstrates readiness for further, continuous development of personal, social and professional competences	Student is aware of the scope of his knowledge and workshop skills and is ready for further, continuous development of professional competences, as well as personal, social and professional competences in relation to work on the master's thesis.	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report [SK3] text preparation/written work [SK5] implementation of a problem task
[KiTHMU2_U11] Independently acquires and deepens knowledge and improves research skills in a structured and systematic manner, undertaking autonomous activities aimed at developing abilities and managing their own professional career	Student independently acquires and deepens knowledge and improves research skills in an orderly and systematic way, taking autonomous actions aimed at writing a master's thesis.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU5] implementation of a problem task
[KiTHMU2_K07] Recognizes and respects theories and views that differ from his/her own, and polemics against them in an ethical and cultural manner	When working on a master's thesis, student recognizes and respects theories and views that are different from his own and polemicizes with them in an ethical and cultural manner.	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report [SK3] text preparation/written work [SK5] implementation of a problem task
[KiTHMU2_K06] Recognizes and formulates ethical problems related to professional work and popularization of knowledge	Student notices and formulates ethical problems related to work on the master's thesis.	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report [SK3] text preparation/written work [SK5] implementation of a problem task

Course outcome	Subject outcome	Method of verification
[KiTHMU2_U01] He/she is able to correctly select sources, subject them to criticism, correctly apply research methods appropriate to the historian's research workshop, and effectively select non-source information in order to solve a task formulated by themselves or others	Student is able to correctly select sources and correctly apply research methods appropriate to the historian's research skills, especially in the context of his MA thesis on issues related to historical tourism.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU6] demonstration of practical skills
[KiTHMU2_W10] Knows and understands the concepts and principles of industrial property protection and copyright, as well as the need to manage intellectual property resources	Student knows and understands the concepts and principles of industrial property and copyright protection and the need to manage intellectual property resources, especially in relation to the master's thesis.	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report [SW3] text preparation/written work [SW5] implementation of a problem task
[KiTHMU2_K02] Recognises the importance of knowledge in solving cognitive and practical problems, is ready to consult experts in case of difficulties with solving a problem on their own	Student recognizes the importance of knowledge in solving cognitive and practical problems related to working on a master's thesis, is ready to seek the opinion of experts in case of difficulties (the supervisor and scientific literature).	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report [SK3] text preparation/written work [SK5] implementation of a problem task
[KiTHMU2_U02] He/she is able to approach solved tasks in an innovative way, adapting existing or developing new research methods and tools, using and integrating his/her knowledge from various fields of science	Student is able to approach the tasks related to working on a master's thesis in an innovative way, adapting existing or developing new research methods and tools, using and integrating knowledge from various fields of science.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU5] implementation of a problem task

Subject contents

1. Reminding students about the specifics of the workshop on preparing master's theses.
2. Organization of the student's own work. 3. Bibliographies, compendia, scientific databases in the preparation of diploma theses
4. Scientific literature in the preparation of seminar papers
5. Diploma thesis types, structure, form.
6. Formulating and explaining research problems in the field of tourism and historical tourism.
7. In the process of preparing the thesis, methodological analysis of the topic of the bachelor's thesis
8. Discussion of individual stages of work, depending on the stage of individual work.
9. Presentations of students' works and discussion of the results
10. Detailed topics of the seminars related to the current topic proposed by the lecturer.

Prerequisites and co-requisites

Passing the Master's Seminar III.

Assessment methods and criteria

Subject passing criteria	Passing threshold	Percentage of the final grade
being active in class	51.0%	10.0%
timely submitting the final version of MA thesis	100.0%	70.0%
being present in class	80.0%	20.0%
