Subject objectives	The aim of the course is to analytically read selected texts of 20th century Finnish literature, also in the original language 21st century, which are representative of the development of society and its problems. The student has them understand, reflect on, and analyze with reference to literary theory. Simultaneously the exercises accompanying the readings are intended to develop the language competences of the course participants. The next goal is familiarizing students with facts about contemporary literary life in Finland (organizations, awards, publications).
