Subject objectives	The objective of the course is to prepare students for reflection on translation by providing them with in-depth knowledge about the theory, terminology, and methodology of Translation Studies. In addition, the intention of the subject is to prepare for conducting translation research. To take into account the specifics of the Nordic languages, examples illustrating the issues discussed during the lectures are also presented in these languages.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SKANMU2_K04] Is ready to uphold the work ethic of a translator.	S/he is ready to uphold the ethos of the work of a translator of Nordic literatures.	[SK1] oral statement/conversation/discussion
