

Subject card

Subject name and code	Identities: Theory, Research, Transformations, PG_00186853						
Field of study	Tożsamości: teoria, badania, przemiany						
Date of commencement of studies	October 2026		Academic year of realisation of subject			2026/2027	
Education level	Master's studies		Subject group			Obligatory subject group in the field of study Humanistic-social subject group Subject group related to scientific research in the field of study	
Mode of study	full-time studies		Mode of delivery			at the university	
Year of study	1		Language of instruction			Polish	
Semester of study	1		ECTS credits			3.0	
Learning profile	academic		Assessment form			exam	
Conducting unit							
Name and surname of lecturer (lecturers)	Subject supervisor		dr Piotr Pawliszak				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	30.0	0.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		4.0		41.0	75
Subject objectives	The main objectives of the course are: 1) to deepen the understanding of the phenomenon of social identities as a subject of theoretical reflection and sociological research using various research methods and techniques, 2) to show, in the light of selected research, how social identities of various types are created and maintained in the process of significant actions and interactions and modified by the material, institutional and technological structures of the social world, 3) to analyze the processes of transformation that identities undergo in various social areas and under various conditions and their possible consequences for the social existence of individuals and the functioning of communities (the conversational method can be used)						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SOCMU2_U05] The graduate is able to apply legal, professional and ethical norms and rules when solving tasks in the field of sociology in various areas of social life	Is able to apply legal, professional and ethical norms and rules when solving tasks concerning individual and collective identity.	[SU2] prezentacja/projekt/referat/raport [SU4] test/egzamin - ustny lub pisemny
