	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	20		0.0		30.0	50
Subject objectives	Course objectives 1. To familiarize students with the basics of economic law relating to sports activities and the principles of operation of sports market entities. 2. To present legal regulations in the field of environmental protection applicable to sports and sports infrastructure. 3. Developing the ability to analyze and solve practical legal problems related to sports and ecology. 4. Teaching the ability to apply legal provisions in the preparation of documents and policies related to sports activities. 5. Building awareness of legal and environmental responsibility in sports management in accordance with the principles of sustainable development.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	PSPORTL3_KR03	The student is able to apply the principles of professionalism and ethics when performing tasks related to the legal and organizational aspects of sport, and to make decisions taking into account their legal, organizational, and social consequences. In addition, student is prepared to act responsibly on behalf of sports institutions and organizations, demonstrate ethical conduct, take responsibility for the consequences of their actions, and respect professional standards in the sports environment.	[SK1] wypowiedź ustna/rozmowa/ dyskusja [SK5] realizacja zadania problemowego
	PSPORTL3_UK03	The student is able to formulate a clear, correct, and audience-appropriate message concerning legal and organizational issues in sport, using the appropriate terminology and adapting the manner of communication to both specialists and people without legal training. In addition, student is prepared to communicate legal and organizational issues in sport in a responsible and understandable manner and to work with various stakeholder groups to clarify and resolve them.	[SU3] opracowanie tekstowe/ praca pisemna [SU6] demonstracja umiejętności praktycznych [SU8] obserwacja samodzielnej lub zespołowej pracy studenta
	PSPORTL3_UW01	The student is able to use available sources of legal information (including legal information systems) to identify and conduct a basic analysis of simple legal issues arising in sports activities and to correctly interpret typical factual situations in the light of applicable regulations. In addition, student is prepared to independently and responsibly formulate basic legal conclusions concerning sports activities and to further develop their skills in working with regulations and sources of law.	[SU2] prezentacja/projekt/referat/ raport [SU4] test/egzamin - ustny lub pisemny
Subject contents	1. Introduction to economic law in sport • The specific nature of economic activity in the sports sector. • Legal status of sports clubs and sports organizations. • Basic regulations concerning the conduct of sports activities. 2.
