Subject objectives	The aim of the subject on the system of sports law is to develop practical skills in analysing and interpreting the multicentric regulatory order of sport, particularly with regard to the relationships between state law, supranational law, and the internal regulations of sports organisations. The classes are intended to enable students to work independently with the material sources of sports law, identify issues related to the harmonisation of regulations, and formulate basic assessments and conclusions concerning the functioning of the sports law system in practice.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	PSPORTL3_UW01	The student is able to analyse and resolve basic legal problems in sport using legal acts, regulations, and legal information systems.	[SU2] prezentacja/projekt/referat/ raport [SU5] realizacja zadania problemowego
