	Number of study hours	0.0	0.0	0.0	0.0	30.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		15.0		230.0	275
Subject objectives	Preparation to conduct more complex and independent philological research. Deepening knowledge of the methodology and research techniques relevant to the subfield covered by the seminar, including methods of inference, justification and verification. Developing skills in preparing longer written works, including: collecting and selecting materials, organizing the topic being developed, editing the text. Developing the ability to publicly present one's own theses and discuss them.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FROSMU2_W05] The graduate has an in-depth knowledge and understanding of the major achievements and directions of development in linguistics, particularly in relation to research on the Russian language.	The student knows and understands, at an advanced level, the main achievements and current developmental trends in linguistics, with particular emphasis on research into the Russian language. The student is able to relate selected linguistic concepts and methodologies to the advanced stage of preparing their master's thesis. The student understands the relevance of recent research on the Russian language system, discourse, communication, pragmatics, semantics and changes in contemporary Russian. The student can identify key publications and scholarly approaches relevant to their own research topic. The student is able to use this knowledge to deepen the interpretation of research material and to refine the theoretical and methodological assumptions of the master's thesis.	[SW1] oral statement/ conversation/discussion [SW3] text preparation/written work
	[FROSMU2_W06] The graduate has an in-depth knowledge and understanding of the major achievements and directions of development in literary studies, particularly in relation to research on Russian literature.	The student knows and understands, at an advanced level, the main achievements and current developmental trends in literary studies, with particular emphasis on research into Russian literature. The student is able to relate selected literary theories, concepts and methodologies to the advanced stage of preparing their master's thesis. The student understands the relevance of research on Russian literature in its historical, cultural, social, ideological and intertextual contexts. The student can identify key publications, authors and scholarly approaches relevant to their own research topic. The student is able to use this knowledge to deepen the interpretation of analysed texts and to refine the theoretical and methodological assumptions of the master's thesis.	[SW1] oral statement/ conversation/discussion [SW3] text preparation/written work
	[FROSMU2_U06] The graduate is able to conduct an in-depth analysis of linguistic phenomena and processes characteristic of the Russian language and literary texts in Russian, referring to specific methods of linguistic and literary studies, using appropriate specialist terminology.	The student is able to conduct an in-depth analysis of selected linguistic phenomena and processes characteristic of the Russian language, as well as literary texts in Russian, at an advanced stage of working on the master's thesis. The student can consciously apply specific linguistic or literary research methods appropriate to the aim, material and research problem. The student is able to interpret the analysed material within a broader linguistic, literary, cultural, historical, social or communicative context. The student formulates in-depth, logical and evidence-based research conclusions. The student uses appropriate specialist terminology relevant to the selected field and to the topic of the master's thesis being prepared.	[SU1] oral statement/conversation/ discussion [SU3] text preparation/written work

Course outcome	Subject outcome	Method of verification
[FROSMU2_U12] The graduate is able to independently plan and implement their own lifelong learning and guide others in this area, particularly in relation to issues relating to the Russian language and literature.	The student is able to independently plan and carry out the further development of their linguistic, research and interpretative competences related to the Russian language and Russian literature. The student can identify their own educational needs at an advanced stage of preparing the master's thesis and select appropriate sources, tools and forms of improvement. The student is able to systematically update their knowledge in Russian studies, linguistics, literary studies and related disciplines. The student critically assesses the level of their own skills and takes action to deepen and supplement them. The student is able to support others in planning research work and developing competences necessary for the analysis of the Russian language, Russian literature and the culture of the Russian-speaking area.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
[FROSMU2_U02] The graduate is able to independently search, critically analyse, evaluate, select and integrate information, using appropriate source materials, in particular with regard to issues related to the Russian language and Russian literature.	Is able to select appropriate subject literature and analyze source texts relevant to the development of the diploma thesis topic.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
[FROSMU2_K02] The graduate is prepared to recognize the importance of knowledge in solving cognitive and practical problems and to seek expert opinion in case of difficulties in solving them independently, in particular in relation to Russian linguistics and literary studies and contextual knowledge of Russian studies.	The student is aware of his/her own knowledge of the issues related to the diploma thesis and its consultation with the scientific achievements of other researchers.	[SK1] oral statement/conversation/discussion [SK3] text preparation/written work
[FROSMU2_W04] The graduate has an in-depth knowledge and understanding of the terminology used in literary studies, particularly applying to research on Russian literature.	The student knows and understands in depth literary terminology appropriate to the development of a selected topic of the diploma thesis; explains the conceptual scope of the terms	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
[FROSMU2_U07] The graduate has the ability to prepare various types of written texts, both general and specialized, in Polish and Russian, including texts with the characteristics of scholarly writing.	The student is able to write a diploma thesis in accordance with the standards adopted in Russian philology.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
[FROSMU2_W07] The graduate has an in-depth knowledge and understanding of selected theories and methodologies in linguistics, particularly those applying to research on the Russian language.	The student knows and understands in depth the scope of linguistic issues that constitute the subject of research and the linguistic methodologies appropriate in the process of developing a diploma thesis topic	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
[FROSMU2_W08] The graduate has an in-depth knowledge and understanding of selected theories and methodologies in literary studies, particularly those applying to research on Russian literature.	The student knows in depth the scope of literary issues that constitute the subject of research and the literary methodologies appropriate in the process of developing a diploma thesis topic	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
[FROSMU2_W11] The graduate has an understanding of concepts and principles related to intellectual property protection and copyright, as well as the necessity of managing these rights.	Knows and understands in depth the principles of using bibliographic sources, proper citation and marking of used sources in the text of the thesis.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work

	Course outcome	Subject outcome	Method of verification
	[FROSMU2_K01] The graduate is prepared to critically evaluate their own knowledge and the content they encounter in linguistics, literary studies, and related fields, particularly in relation to issues concerning the Russian language and Russian literature.	The prepared diploma thesis is subjected to continuous evaluation in the context of the text's compliance with the acquired subject knowledge.	[SK1] oral statement/conversation/discussion [SK3] text preparation/written work
	[FROSMU2_U05] The graduate is able to appropriately select and adapt existing methods and tools, including advanced information and communication techniques, when working on selected issues in Russian linguistics and literary studies, as well as related fields.	The student uses advanced, modern, including digital, tools to search, select and analyze information within the scope of the thesis topic.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[FROSMU2_U04] The graduate is able to formulate and test hypotheses related to simple research problems in Russian linguistics and/or literary studies.	The student independently formulates research hypotheses for the work within the selected topic based on the source literature read.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[FROSMU2_U03] The graduate is able to analyze the works of various authors, synthesize various ideas and views, develop and present the results of their activities in a logical and thoughtful manner, using methods and tools appropriate for Russian linguistics and literary studies.	The student analyzes scientific texts and synthesizes various views in order to formulate the main assumptions of the first chapter of the work, develops its individual subchapters logically and in accordance with the rules of the Russian scientific style.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[FROSMU2_W03] The graduate has an in-depth knowledge and understanding of the terminology used in linguistics, particularly that which applies to research on the Russian language.	The student is able to use linguistic terminology appropriate to the development of a chosen diploma thesis topic; explains the conceptual scope of the terms	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
Subject contents	The content covered during classes depends on the topic of the seminar and the instructor. They consist primarily of issues related to the subfield, as well as methodological issues, knowledge of which is necessary when preparing works of a specific profile.		
Prerequisites and co-requisites	Passing the seminar in the second semester. Knowledge of Russian language at least at B2 level		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	writing the second chapter of the work	51.0%	100.0%
Recommended reading	Basic literature	To be chosen by the instructor and students	
	Supplementary literature	To be chosen by the instructor and students	
	eResources addresses		

Example issues/ example questions/ tasks being completed	1. Anti-war message in the musical works of Russian performers after February 24, 2022. 2. Bulgakov in the culture of the 21st century. 3. The image of Atlantis in Russian literature. 4. The world of computer games and Russian literature. 5. Problems of equivalence in the translation of media texts 6. Creating the world of the text in the original and its translation 7. Etymology in onomastic research - based on lists of Polish, Russian and Czech names 8. Phraseologisms with the semantic component sadness in Polish, Russian and Serbian (comparative study) 9. Intersemiotic analysis of gender-oriented magazines (based on the example of the Russian version of Men's Health and Cosmopolitan) 10. Intersemiotic analysis of shocking commercial advertising techniques (based on advertising campaigns for Adrian tights) 11. Solidarity tactics in President Vladimir Zelensky's messages to other nations (2022-2023) 12. Euphemization of Russian war discourse (2022-2024).
