Learning outcomes	Course outcome	Subject outcome	Method of verification
	[LSL3_U10] He has the ability to prepare typical written works in English and in the languages of the chosen specialty with different form, purpose, volume and style, using basic theoretical approaches and sources.	The student is able (based on theoretical sources) to create plans for their own work, evaluate them and make changes to them.	[SU3] text preparation/written work
	[LSL3_W03] Recognizes the connections between the disciplines studied, linguistics and literary studies, and pedagogy, glottodidactics, psychology and sociology.	The student knows the various conditions affecting the process of migration (with particular emphasis on the impact of migration on the society, economy and culture of the hosts and the received).	[SW1] oral statement/conversation/discussion
	[LSL3_U12] Has the ability to prepare oral presentations in English and in the language of the chosen specialty, using basic theoretical approaches and sources.	The student communicates in complex cross-cultural and international teams, including through appropriate pragmatic (para- and non-verbal) skills.	[SU1] oral statement/conversation/discussion
	[LSL3_K05] He understands the need to participate in cultural and cultural life and encourage others to interact with foreign languages and culture, as well as think and act in an entrepreneurial manner, care for the achievements and traditions of the profession.	The student actively participates in activities that support environments in which people with migration experience function; promotes high ethical standards for children, students and adults with migration experience.	[SK2] presentation/project/paper/report
