	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	45		3.0		102.0	150
Subject objectives	The aim of the course is to further improve students passive and active practical English skills, in order to facilitate achieving such communicative objectives as the ability to understand and apply the correct degrees of language formality according to the type of context, communicative situation, social situation and linguistic task, as well as the ability to reflect on and work independently on the systematic improvement of language competence. Furthermore, the course aims at developing an attitude of openness and tolerance towards the culture of English-speaking countries.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[LSMU2_K02] He is ready to think and act in an entrepreneurial manner and to perform professional roles responsibly, taking into account the changing needs of society, including observing and developing the principles of professional ethics and acting to uphold these principles.
