	eResources addresses	
Example issues/ example questions/ tasks being completed	- Prepare a presentation comparing informal and formal communication in a company, highlighting the differences in style, language, and message structure. Provide examples of situations in which each form of communication is appropriate. - Write a professional email to a German business partner introducing your company and inquiring about the possibility of cooperation. Pay attention to the proper structure of the letter, the use of appropriate language formulas, and elements of German language etiquette. - In groups, conduct a simulation of a business meeting with a German partner, taking into account intercultural differences in communication style, forms of address, and etiquette rules. Then, write a short analysis discussing how these differences can affect the effectiveness of communication and cooperation.
