

**Subject card**

<b>Subject name and code</b>	Civil law II - lecture, PG_00134080						
<b>Field of study</b>	Taxes and Tax Consultancy						
<b>Date of commencement of studies</b>	October 2026	<b>Academic year of realisation of subject</b>	2026/2027				
<b>Education level</b>	Bachelor's studies	<b>Subject group</b>	Obligatory subject group in the field of study				
<b>Mode of study</b>	part-time studies	<b>Mode of delivery</b>	at the university				
<b>Year of study</b>	1	<b>Language of instruction</b>	Polish				
<b>Semester of study</b>	2	<b>ECTS credits</b>	4.0				
<b>Learning profile</b>	academic	<b>Assessment form</b>	exam				
<b>Conducting unit</b>	Department of Civil Law -> Faculty of Law and Administration -> Rector						
<b>Name and surname of lecturer (lecturers)</b>	<b>Subject supervisor</b>		dr Mateusz Kosmol				
	<b>Teachers</b>						
<b>Lesson types</b>	<b>Lesson type</b>	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	<b>Number of study hours</b>	15.0	0.0	0.0	0.0	0.0	15
	E-learning hours included: 0.0						
<b>Learning activity and number of study hours</b>	<b>Learning activity</b>	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	<b>Number of study hours</b>	15		0.0		85.0	100
<b>Subject objectives</b>	The aim of the course is to familiarize students with the norms of civil law as outlined in current codifications and non-codified sources.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[PiDPL3_WG03] has knowledge about the subject of regulation of selected specific issues outside the scope of branches of substantive and formal law related to public levies, as well as outside the scope of accounting	Has knowledge of the scope of regulation of selected specific issues outside the branches of substantive and procedural law, related to civil law and related fields.	[SW4] test/exam - oral or written
	[PiDPL3_UK02] is able to communicate using specialist legal, financial and tax terminology, as well as participate in a debate on the problems of applying public finance law, finance and accounting - including presenting and evaluating different opinions and positions and discussing them	Is able to communicate with the environment using specialized legal terminology specific to civil law and to participate in debates on issues related to the application of civil law – including presenting, evaluating, and discussing different opinions and positions.	[SU4] test/exam - oral or written
	[PiDPL3_KK01] understands the complexity of problems occurring in the field of public finance law, finance and accounting and related disciplines and therefore is ready to critically assess the knowledge possessed in this area and the content received.  understands the importance of knowledge in solving cognitive and practical problems and - in case of difficulties in solving the problem independently - seeking the opinions of experts dealing with public finance law, finance, accounting and related disciplines (especially scientists, experienced tax advisors, accountants, lawyers dealing with disciplines other than tax law and balance sheet law), and if necessary, also expert specialists in disciplines other than legal and economic sciences	Understands the complexity of issues arising in the field of civil law and related disciplines and is therefore ready to critically assess the knowledge possessed in this area and the content received. Recognizes the importance of knowledge in solving cognitive and practical problems and, in case of difficulties in solving a problem independently, is prepared to seek the opinions of experts in civil law and related fields (in particular scholars, experienced legal practitioners, and, if necessary, specialists from other disciplines).	[SK4] test/exam - oral or written
	[PiDPL3_UW01] is able to use the acquired theoretical knowledge in the field of public finance law and accounting and related scientific disciplines in order to formulate and solve complex and atypical problems (e.g. validation and interpretative problems related to the application of public finance law, tax analysis problems or balance sheet problems), including performing tasks in conditions not fully predictable by: appropriate selection of sources (including, in particular, legal acts, doctrinal literature and case law) and information from them, assessment, critical analysis and synthesis, selection and application of appropriate methods and tools (including advanced information and communication technologies, e.g. using learned methods of legal interpretation using electronic databases of case law and literature to solve basic problems related to the application of public finance law)	Is able to apply theoretical knowledge in the field of civil law and related scientific disciplines to formulate and solve complex and non-standard problems (e.g., validation and interpretation issues related to the application of civil law), including performing tasks in unpredictable conditions by: – appropriately selecting sources (in particular normative acts, doctrinal writings, and case law) and critically evaluating, analyzing, and synthesizing information obtained from them, – selecting and applying suitable methods and tools (including advanced ICT techniques, e.g., applying known methods of legal interpretation using electronic databases of case law and literature to solve basic problems related to the application of civil law).	[SU4] test/exam - oral or written
