

Subject card

Subject name and code	Future Economics, PG_00151412						
Field of study	Social Work						
Date of commencement of studies	October 2026	Academic year of realisation of subject				2028/2029	
Education level	Bachelor's studies	Subject group				Obligatory subject group in the field of study Humanistic-social subject group Subject group related to practical vocational preparation	
Mode of study	full-time studies	Mode of delivery				at the university	
Year of study	3	Language of instruction				Polish	
Semester of study	5	ECTS credits				1.0	
Learning profile	practical	Assessment form				credit	
Conducting unit							
Name and surname of lecturer (lecturers)	Subject supervisor		dr hab. Bartosz Mika				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	15.0	0.0	0.0	0.0	0.0	15
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	15		0.0		10.0	25
Subject objectives	<p>The main objective of the course is for students to understand the most important heterodox theoretical schools in contemporary economics. Students learn about current debates taking place among different schools of thought in economics. Student learn that economics, like sociology, is a multi-paradigmatic science. Students become acquainted with representatives of heterodox economics (including Polish economists).</p> <p>Students gain knowledge about alternative theories of monetary policy as opposed to monetarism.</p>						

Learning outcomes	Course outcome	Subject outcome	Method of verification
