

Subject card

Subject name and code	Basis of Tax System and Indirect Taxes, PG_00195041						
Field of study	Finance and Accounting						
Date of commencement of studies	October 2026	Academic year of realisation of subject			2026/2027		
Education level	Master's studies	Subject group			Obligatory subject group in the field of study Optional subject group Subject group related to scientific research in the field of study		
Mode of study	full-time studies	Mode of delivery			at the university		
Year of study	1	Language of instruction			Polish		
Semester of study	2	ECTS credits			4.0		
Learning profile	academic	Assessment form			exam		
Conducting unit	Department of Accounting -> Faculty of Management -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Anna Kamińska-Stańczak				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	15.0	30.0	0.0	0.0	0.0	45
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	45		3.0		52.0	100
Subject objectives	The aim of the lecture is to familiarize the student with the structure and the way of functioning of the tax system in Poland, with particular emphasis on such elements of the system as tax subjectivity, tax liability, tax authorities and penal-fiscal responsibility. Another aim is to present the issues related to the indirect taxation of entrepreneurs, in particular the VAT.						
	After completing the course, the student will be prepared for the correct recognition, valuation and settlement of tax obligations with regard to the VAT and the excise taxes. Such knowledge and skills are necessary for performance of the accounting profession and for running a business.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FiRMU2_W02] Possesses a comprehensive understanding of the complexities and functions of both domestic and international financial markets, as well as financial instruments and institutions	The student identifies the principles of the functioning of the tax system from the taxpayer's perspective.	[SW4] test/exam - oral or written
