	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		18.0	50
Subject objectives	The basic aim of the course is to familiarize students with the functioning of state bodies in the Republic of Poland - their position and competences, as well as to analyze the relations between these state bodies.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ADMINL3_K02] is aware of the necessity to undertake actions aimed at protecting the public interest, the social interest, and the individual interests of a person, as well as of the need to balance these interests, with due respect for the law, in the event of conflicts between them. Moreover, he/she demonstrates an entrepreneurial approach and is prepared to initiate legal proceedings in which such interests are safeguarded.	The student is aware of the importance of constitutional mechanisms protecting the public interest and individual rights and is prepared to undertake actions aimed at their protection in accordance with the principles of the rule of law.	[SK1] oral statement/conversation/discussion
	[ADMINL3_W02] possesses advanced knowledge of, and is able to characterise, the system of public authority (including at the national and European Union levels), the structure of public administration, the procedures for the appointment of public bodies, as well as the legal framework governing the organisation and functioning of public administration and the work of civil servants.	The student knows and is able to characterize the constitutional system of state authorities, in particular their competences, methods of appointment, and mutual relations within the system of public power, as well as the basic legal conditions for the organization and functioning of public administration.	[SW4] test/exam - oral or written
	[ADMINL3_U02] is able to communicate on matters typical for professional work related to their field of study and to prepare oral presentations, written papers, and a legal document concerning basic issues related to the organization and functioning of public administration, administrative activity, and the application of law in selected areas of social and economic life; including the ability to draft a typical administrative act and an application in an administrative case.	The student is able to analyse and interpret legal provisions concerning the organization and functioning of constitutional state authorities, prepare oral presentations and written papers on constitutional and institutional issues, and use basic legal terminology in professional communication.	[SU8] observation of student's independent or team work
	[ADMINL3_U05] is able to assess the level of his/her own knowledge and skills and understands the need for continuous learning and for developing professional competencies using various sources and tools designed for this purpose.	The student is able to assess the level of their knowledge regarding the constitutional system of state authorities and recognizes the need for its continuous development through the use of various legal sources and tools supporting the improvement of professional competences.	[SU1] oral statement/conversation/discussion
