Subject objectives	The main objective of the workshop exercises in the subject of Public Finance Law is to teach the practical aspects of the functioning of legal and financial regulations in the areas of budget law, local government finance law, tax law, and financial market law. By engaging students in the preparation of draft documents, including legal opinions, appeals, and documents for court and administrative proceedings, they will acquire the skills and competences necessary to apply their knowledge in practice in accordance with their field of study.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ADMINL3_U02] is able to communicate on matters typical for professional work related to their field of study and to prepare oral presentations, written papers, and a legal document concerning basic issues related to the organization and functioning of public administration, administrative activity, and the application of law in selected areas of social and economic life; including the ability to draft a typical administrative act and an application in an administrative case.	-	[SU4] test/exam - oral or written
	[ADMINL3_K02] is aware of the necessity to undertake actions aimed at protecting the public interest, the social interest, and the individual interests of a person, as well as of the need to balance these interests, with due respect for the law, in the event of conflicts between them. Moreover, he/she demonstrates an entrepreneurial approach and is prepared to initiate legal proceedings in which such interests are safeguarded.	-	[SK4] test/exam - oral or written
	[ADMINL3_W05] is familiar with and understands the current dilemmas concerning the functioning of public administration and activities undertaken within the sphere of the state and administration in relation to substantive, procedural, and constitutional law institutions. Moreover, he/she identifies the fundamental phenomena occurring within the market economy and economics, including knowledge and understanding of the basic principles governing the establishment and development of various forms of entrepreneurship.	-	[SW4] test/exam - oral or written
	[ADMINL3_W02] possesses advanced knowledge of, and is able to characterise, the system of public authority (including at the national and European Union levels), the structure of public administration, the procedures for the appointment of public bodies, as well as the legal framework governing the organisation and functioning of public administration and the work of civil servants.	-	[SW4] test/exam - oral or written
