	Number of study hours	15.0	0.0	0.0	0.0	0.0	15
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	15		2.0		8.0	25
Subject objectives	The aim of the course is to acquaint students with knowledge of German-Polish literary contacts from the Middle Ages to the present day, taking into account key moments in the history of both nations and mutual relations which have an impact on cultural and literary contacts. The aim is to develop the ability to recognise the mechanisms involved in the influence of one literature on another, to evaluate and criticise them.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[NIEML3_W07] Is aware of the coexistence in the human sciences of different points of view determined by different theoretical views, different national or cultural backgrounds	Understands the coexistence of different research perspectives in literary studies resulting from different theoretical views as well as different national and cultural contexts; recognises the importance of intercultural dialogue in the analysis of German-Polish literature.	[SW4] test/exam - oral or written
	[NIEML3_K01] Critically evaluates his/her knowledge, demonstrates a willingness to continually expand his/her knowledge and to seek expert advice if he/she has difficulty solving a problem on his/her own	Critically evaluates his/her knowledge of German-Polish literary relations; demonstrates a willingness to continually expand his/her knowledge and to consult experts in the event of difficulties in interpreting literary texts or complex cultural phenomena	[SK2] presentation/project/paper/report
	[NIEML3_W01] Has knowledge of the place and importance of the scientific disciplines forming the field of German Studies in the system of sciences, their subject matter, methodological and terminological specificities, as well as the interrelationship of these sciences	Has knowledge of the place and significance of literary studies within German studies, with particular emphasis on the study of literary relations between Poland and German-speaking countries; knows the methodological and terminological specificities of this research and its links with other humanities disciplines.	[SW4] test/exam - oral or written
	[NIEML3_U03] Is able to recognise different types of cultural production and identify their significance, social impact, place in the historical-cultural process	Be able to recognise the various forms of literary and cultural transmission present in German-Polish relations and identify their significance, social impact and place in the wider historical and cultural process.	[SU4] test/exam - oral or written
Subject contents	a) theoretical issues: comparative literary studies - terminology and research methods discussed on the basis of selected examples; the notion of a stereotype; imagology; the place of comparative studies in the system of knowledge of literature; the notion of intertextuality. b) historical and literary approach: the influence of German literature on Polish literature in particular epochs (from the Middle Ages to the 20th century); views of selected German writers on Poland and Poles; the influence of German literary works on Polish literature; c) reception of German and Polish literary works in the neighbouring countries. Poland and Poles; the influence of German literary works on Polish literature; c) reception of German and Polish works in the neighbouring literature; d) thematic and imagological issues: literary characters: Faust; T. Kosciuszko as a hero of German literary works; Polenlied; the beautiful Polish woman; e) elements of translation history and criticism: Polish translations of German literature - their significance in literary contacts.
