	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		43.0	75
Subject objectives	The classes are an integral part of the Ancient Art History module, designed to complement and expand on the topics presented during lectures. They are intended to consolidate students' knowledge of ancient monuments. Selected, most important monuments of architecture, sculpture and painting from ancient Egypt, Greece and Rome will be analyzed and discussed in detail, focusing on their material structure, technique, authenticity, conservation value and artistic expression.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ODKML3_K04] Is ready to recognize and respect different points of view determined by different national and cultural backgrounds; to show understanding of the world of values and attitudes of people in different periods and historical contexts
