	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		68.0	100
Subject objectives	To familiarize the student with selected issues of art arising in the period from about 1430 to about 1750. To make students aware of the nature of modern artistic eras, the main sources of artistic inspiration, the radiating centers of artistic fashion and the requirements for the protection of monuments created during the period under discussion. To familiarize students with the greatest artistic trends and individuals of art created during the period under discussion. The course will also analyze art created in Gdansk, treated as part of the common heritage of European art.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ODKML3_K04] Is ready to recognize and respect different points of view determined by different national and cultural backgrounds; to show understanding of the world of values and attitudes of people in different periods and historical contexts		
	[ODKML3_U02] Knows how to interpret works of art using typical methods of interpretation, taking into account the formal formation of statements and their place in the historical-cultural process	K_U02 Knows how to interpret works of art using typical methods, taking into account the formal formation of statements and their place in the historical and cultural process between about 1430-1750	[SU4] test/exam - oral or written
	[ODKML3_U03] Can critically analyze and evaluate the artistic value of works of art	K_U03 Be able to critically analyze and evaluate the artistic value of works of ancient art	[SU1] oral statement/conversation/discussion
	[ODKML3_U06] Defines, explains and applies correctly orally and in writing the basic terms and concepts specific to the art sciences and related sciences in working on selected topics and eras	K_U06 Defines, explains and applies correctly orally and in writing the basic terms and concepts specific to art history and related sciences when working on selected topics within modern art	[SU4] test/exam - oral or written
[ODKML3_W04] Has advanced and structured detailed knowledge of the specifics of culture and art of particular eras	K_W04 Has advanced detailed knowledge of the peculiarities of culture and art emerging in modern times	[SW4] test/exam - oral or written
