Subject objectives	<ul style="list-style-type: none"> - familiarizing students with Latin grammar, vocabulary, and phraseology - improving the technique of independent translation of Latin texts - familiarizing students with popular Latin phrases, maxims, and sayings - presenting Latin and ancient culture as the basis of European identity and a vehicle for tradition - familiarizing students with selected issues of ancient history and culture on the basis of translated Latin texts - pointing out traces of ancient culture in contemporary culture 						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[HISTSZL3_U10] Translates simple specialist texts into Polish from a foreign language independently	The student is able to use available teaching aids. They know the declension and conjugation forms and recognize them in Latin texts. They recognize sentence structures in texts and translate them correctly. They are able to use their theoretical knowledge when translating and analyzing texts. They are aware of the complexity of problems involved in translating from Latin.	[SU1] oral statement/conversation/discussion [SU4] test/exam - oral or written [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
	[HISTSZL3_K01] Critically evaluates his/her knowledge, demonstrates a willingness to continually expand his/her knowledge and to seek expert advice if he/she has difficulty solving a problem on his/her own	The student is aware of the level of their knowledge and skills, understands the need for continuous learning and development, and demonstrates a willingness to deepen and supplement their acquired knowledge and skills. They set the directions for their own development. They are able to work independently and in a group. The student understands and respects the values and attitudes of people in different periods, respects different points of view determined by national and cultural background.	[SK1] oral statement/conversation/discussion [SK5] implementation of a problem task [SK6] demonstration of practical skills [SK8] observation of student's independent or team work
