Subject objectives	<p>The seminar is designed to deepen knowledge of contemporary civil law. It includes a reflection on contemporary institutions of civil law with regard to their comparison with other legal orders. The aim of the course is to prepare the students for independent research work, to direct their interests, to choose a topic for their master's thesis and to supervise its elaboration. The aim of the seminar is also to assist in the independent development of the thesis in the form of a scientific text.</p>						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[PRAWOJ5_UW02] The graduate utilizes theoretical knowledge in legal science and the connected academic disciplines to analyze and interpret complex legal issues	has a structured knowledge of types of legal relations in the field of civil law and of regularities governing them analyses their connections with various areas of law and related sciences is able to use and integrate theoretical knowledge of civil law and related disciplines to analyse and interpret complex legal problems	[SU2] presentation/project/paper/report
