	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		0.0		70.0	100
Subject objectives	The aim of the seminar is to deepen students knowledge of constitutional law and to develop their skills in analyzing, interpreting, and applying the provisions of the Constitution of the Republic of Poland in administrative practice. Participants will learn about the significance of the fundamental principles of the state system, the relationships between public authorities, and the constitutional guarantees of individual rights and freedoms. The seminar also aims to prepare students to formulate research problems and to develop their bachelors theses based on legal sources, the case law of the Constitutional Tribunal, and relevant academic literature.						
Learning outcomes	Course outcome	Subject outcome			Method of verification		
	ADMINL3_WK10	The student knows and understands the impact of social, political, and technological changes on the functioning of constitutional institutions and the protection of individual rights and freedoms, and is able to identify and analyze the dilemmas resulting from civilizational development, such as the balance between state security and citizens' rights and the challenges to the principle of a democratic state governed by the rule of law.
