<b>Subject objectives</b>	<p>The aim of the student internship is for students to gain professional experience in line with their field of study. Students are required to complete a mandatory professional internship, a report on which is submitted in accordance with the schedule set out in the Faculty of Management internship regulations.</p> <p>Internships in this scope may be carried out in particular in business entities, public institutions, scientific and research institutions, educational institutions, cultural institutions, or as part of activities organised by universities to achieve the objectives of the internship. All additional information related to the regulation of student internships at the Faculty of Management is described in the Internship Regulations available on the website of the Faculty of Management at the University of Gdańsk.</p>						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FiRL3_K03] Is prepared to think and act entrepreneurially and responsibly, initiating and participating in projects that benefit society and the public interest in finance and accounting	The student demonstrates readiness to act responsibly and entrepreneurially in a professional environment, taking into account the social and public aspects of financial decisions.
