

Subject card

Subject name and code	Editing and Preparing Texts for Publication, PG_00205587						
Field of study	History						
Date of commencement of studies	October 2026	Academic year of realisation of subject				2028/2029	
Education level	Bachelor's studies	Subject group				Obligatory subject group in the field of study Optional subject group	
Mode of study	full-time studies	Mode of delivery				at the university	
Year of study	3	Language of instruction				Polish	
Semester of study	5	ECTS credits				1.0	
Learning profile	academic	Assessment form				credit	
Conducting unit							
Name and surname of lecturer (lecturers)	Subject supervisor		dr Joanna Kamień				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	15.0	0.0	0.0	0.0	15
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	15		5.0		5.0	25
Subject objectives	The subject allows students to acquire basic skills in editing scientific texts. During the exercises, students become acquainted with the system of proofreading marks, their practical application, terminology, principles of editing and proofreading a scientific text before its publication both from the linguistic and technical point of view. They will also learn the principles of bibliographic description, with particular emphasis on the recording of historical sources.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[HISTL3_K02] Is ready to fulfil social obligations, co-organise activities for the benefit of the social environment in the field of education and promotion of the historical and cultural heritage of Poland, region and Europe	The student becomes a conscious and responsible user of language, cares for its correctness, strives to be independent in every layer of writing his/her own text and editing the texts of others - linguistic, editorial, content-related, in editing the text follows the rules learned in class, consults doubts in a team.	[SK3] text preparation/written work [SK8] observation of student's independent or team work
