| Subject objectives                          | The aim of the classes is to consolidate the issues of inflection, syntax and Latin lexis learned by students during the education process and to use them in practice in order to compose simple texts written in Latin. Expanding lexical content with vocabulary relating to various contemporary areas of life. Learning the basic principles of Latin style and translation techniques. |                                                          |                                         |                                     |                                                                                                                      |            |     |
