	Number of study hours	30		2.0		18.0	50
Subject objectives	The aim of the course is to become familiar with selected developmental trends in German-language literature of the 18th and 19th centuries as proposed by the instructor. In particular, the aim is to improve your ability to analyse and interpret literary texts using the knowledge you have acquired and to apply the literary terminology you have learnt in relation to their form, function and meaning in cultural communication, as well as to familiarise yourself with literary genres such as the bourgeois tragedy, the ballad, the ideological poem, the epistolary novel and the graphic novel.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
