	Number of study hours	30		2.0		18.0	50
Subject objectives	This course serves as a guide to the specializations within the MSU program, highlighting their theoretical and practical dimensions. Its aim is to showcase the spectrum of professional opportunities for applying the skills and knowledge acquired through sociology studies. Students will examine how sociology graduates navigate the labor market—the professions they pursue and how they develop their competencies—as well as the challenges they encounter and how they manage them amidst conditions of acceleration (Rosa) and risk (Beck).
