|                   | [FROSMU2_K02] The graduate is prepared to recognize the importance of knowledge in solving cognitive and practical problems and to seek expert opinion in case of difficulties in solving them independently, in particular in relation to Russian linguistics and literary studies and contextual knowledge of Russian studies. | The student recognizes the importance of knowledge in solving cognitive and practical problems related to the principles of communication and creating texts in Russian, is ready to seek the lecturer's opinion (during exercises and consultations) in case of difficulties in independently solving problems related to the grammar, lexis and punctuation of the Russian language.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | [SK2] presentation/project/paper/report<br>[SK4] test/exam - oral or written<br>[SK6] demonstration of practical skills<br>[SK8] observation of student's independent or team work                                                                       |
|                   | [FROSMU2_U07] The graduate has the ability to prepare various types of written texts, both general and specialized, in Polish and Russian, including texts with the characteristics of scholarly writing.                                                                                                                        | The student is able to write a letter, advertising information, abstract, outline plan and summary of the text using appropriate phrases and vocabulary from the thematic scope in Russian, is able to apply in practice the rules of writing a story, an essay on a given topic in Russian.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | [SU3] text preparation/written work<br>[SU4] test/exam - oral or written<br>[SU5] implementation of a problem task                                                                                                                                       |
|                   | [FROSMU2_U09] The graduate has Russian language skills that meet the C1 level requirements according to the Common European Framework of Reference for Languages (CEFR).                                                                                                                                                         | <p>The student understands longer statements in which logical connections are only implied. Understands TV programmes, films and podcasts in Russian without major difficulties. Understands complex informational and literary texts, recognising their differences in style. Understands specialist articles and technical instructions in Russian.</p> <p>Can speak fluently in Russian, without much obvious hesitation. Communicates effectively in social and professional situations. Can precisely formulate his/her thoughts and views, referring to the statements of interlocutors. Can formulate clear statements on complex issues, develop individual issues and draw an appropriate conclusion. Can speak in understandable and well-structured texts, presenting his/her point of view quite broadly. Can write about complex issues in a private letter, essay or report, emphasizing the most important issues. Can adapt the style of the text to the potential reader.</p> | [SU1] oral statement/conversation/discussion<br>[SU2] presentation/project/paper/report<br>[SU3] text preparation/written work<br>[SU4] test/exam - oral or written<br>[SU5] implementation of a problem task<br>[SU6] demonstration of practical skills |
|                   | [FROSMU2_U11] The graduate is able to cooperate and work in a group, assuming various roles, including that of a leader, particularly in the field of Russian studies and activities related to Russian language and literature.                                                                                                 | The student is able to communicate (dialogue, polylogue), using appropriate vocabulary, different styles of speech, argumentation and elements of rhetoric in Russian, is able to take a leadership position and direct the discussion, formulate instructions to group (project) participants, summarize, summarise, evaluate the opinions and reflections of group participants in Russian.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | [SU1] oral statement/conversation/discussion<br>[SU2] presentation/project/paper/report<br>[SU5] implementation of a problem task<br>[SU6] demonstration of practical skills<br>[SU8] observation of student's independent or team work                  |
|                   | [FROSMU2_U02] The graduate is able to independently search, critically analyse, evaluate, select and integrate information, using appropriate source materials, in particular with regard to issues related to the Russian language and Russian literature.                                                                      | The student is able to search for information and key words in texts, analyze, evaluate, select and integrate information from various sources for the needs of a multimedia presentation/project task in Russian, formulates critical judgments regarding the content of written texts, audio/video exercises in Russian.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | [SU2] presentation/project/paper/report<br>[SU3] text preparation/written work<br>[SU5] implementation of a problem task<br>[SU6] demonstration of practical skills                                                                                      |

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                               |
