

Subject card

Subject name and code	MA Seminar I, PG_00211232						
Field of study	Russian Philology						
Date of commencement of studies	October 2026		Academic year of realisation of subject		2026/2027		
Education level	Master's studies		Subject group		Obligatory subject group in the field of study Optional subject group Subject group related to scientific research in the field of study		
Mode of study	full-time studies		Mode of delivery		at the university		
Year of study	1		Language of instruction		Russian		
Semester of study	1		ECTS credits		4.0		
Learning profile	academic		Assessment form		credit		
Conducting unit	Institute of Russian and Eastern Studies -> Faculty of Languages -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr hab. Żanna Śladkiewicz, prof. UG				
	Teachers		dr hab. Tatiana Kananowicz dr hab. Diana Oboleńska, prof. UG				
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	0.0	0.0	0.0	30.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		15.0		55.0	100
Subject objectives	Getting to know the specificity of the subfield covered by the seminar and acquiring detailed knowledge related to the topic of the master's thesis being prepared. Preparation to conduct more complex and independent philological research. Deepening knowledge of the methodology and research techniques relevant to the subfield covered by the seminar, including methods of inference, justification and verification. Developing skills in preparing longer written works.Stylistics and organization of scientific texts.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FROSMU2_U03] The graduate is able to analyze the works of various authors, synthesize various ideas and views, develop and present the results of their activities in a logical and thoughtful manner, using methods and tools appropriate for Russian linguistics and literary studies.	The student analyzes scientific texts and synthesizes various views in order to formulate the concept of the work, formulates the goals of the work, research hypotheses logically, correctly, in accordance with the rules of the Russian scientific style.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[FROSMU2_W03] The graduate has an in-depth knowledge and understanding of the terminology used in linguistics, particularly that which applies to research on the Russian language.	The student knows the linguistic terminology appropriate to the development of a chosen diploma thesis topic; knows the conceptual scope of the terms.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
	[FROSMU2_W05] The graduate has an in-depth knowledge and understanding of the major achievements and directions of development in linguistics, particularly in relation to research on the Russian language.	The student knows and understands, at an advanced level, the main achievements and current developmental trends in linguistics, with particular emphasis on research into the Russian language. The student understands the specificity of contemporary Russian linguistic studies, including research on the language system, discourse, communication, pragmatics, semantics and changes in the Russian language.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
	[FROSMU2_W06] The graduate has an in-depth knowledge and understanding of the major achievements and directions of development in literary studies, particularly in relation to research on Russian literature.	The student knows and understands, at an advanced level, the main achievements and current developmental trends in literary studies, with particular emphasis on research into Russian literature. The student understands the specificity of research on Russian literature in its historical, cultural, social and ideological contexts.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
	[FROSMU2_W07] The graduate has an in-depth knowledge and understanding of selected theories and methodologies in linguistics, particularly those applying to research on the Russian language.	The student knows and understands selected linguistic theories and methodologies relevant to the preparation of a master's thesis in Russian studies. The student understands differences between research approaches, such as structural, semantic, pragmatic, discourse-oriented, communication-oriented or media-linguistic approaches.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
	[FROSMU2_W08] The graduate has an in-depth knowledge and understanding of selected theories and methodologies in literary studies, particularly those applying to research on Russian literature.	The student knows and understands selected theories and methodologies of literary studies relevant to the preparation of a master's thesis in Russian studies. The student understands differences between selected research approaches, such as historical-literary, comparative, structural, hermeneutic, cultural, intertextual or narratological approaches.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work

	Course outcome	Subject outcome	Method of verification
	[FROSMU2_U04] The graduate is able to formulate and test hypotheses related to simple research problems in Russian linguistics and/or literary studies.	The student is able to formulate simple, clearly defined research hypotheses related to the topic of their master's thesis in Russian linguistics or literary studies. The student can link these hypotheses with the aim of the thesis, research questions, material and adopted methodology. The student is able to select appropriate analytical procedures that make it possible to verify or modify the initial assumptions. The student interprets the results of analysis in a logical, careful and evidence-based manner. The student can formulate conclusions resulting from the conducted research and indicate their limitations.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[FROSMU2_U05] The graduate is able to appropriately select and adapt existing methods and tools, including advanced information and communication techniques, when working on selected issues in Russian linguistics and literary studies, as well as related fields.	The student is able to select methods, tools and research techniques appropriate for the chosen issue in Russian linguistics or literary studies. The student can adapt existing analytical procedures to the specific character of their research material, including linguistic, literary, cultural, media-related texts or digital sources. The student is able to use advanced information and communication technologies in the process of collecting, selecting, organizing, analysing and presenting data. The student consciously selects scholarly sources, databases, corpora, digital tools and software useful in preparing the master's thesis. The student is able to justify the choice of applied methods and assess their usefulness in relation to the aim and research problem.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[FROSMU2_U06] The graduate is able to conduct an in-depth analysis of linguistic phenomena and processes characteristic of the Russian language and literary texts in Russian, referring to specific methods of linguistic and literary studies, using appropriate specialist terminology.	The student is able to conduct an in-depth analysis of selected linguistic phenomena and processes characteristic of the Russian language, as well as literary texts in Russian. The student can apply appropriate linguistic or literary research methods in accordance with the topic, aim and material of their master's thesis. The student is able to interpret the analysed material within a broader linguistic, literary, cultural, social or historical context. The student formulates research conclusions in a logical, coherent and evidence-based manner. The student uses appropriate specialist terminology from the fields of linguistics, Russian literary studies and related disciplines.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work

	Course outcome	Subject outcome	Method of verification
	[FROSMU2_U07] The graduate has the ability to prepare various types of written texts, both general and specialized, in Polish and Russian, including texts with the characteristics of scholarly writing.	The student is able to prepare various types of written assignments in Polish and Russian, adapting their form, style and structure to the purpose of the text and academic requirements. The student can write general and specialist texts, including outlines, summaries, literature reviews, analytical passages and parts of the master's thesis. The student is able to formulate written statements in a logical, coherent, linguistically correct and terminologically appropriate manner. The student applies basic principles of academic writing, including proper citation, paraphrasing, argumentation and documentation of sources. The student can adapt the text to the norms of Polish and Russian and to the standards of academic writing.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[FROSMU2_K02] The graduate is prepared to recognize the importance of knowledge in solving cognitive and practical problems and to seek expert opinion in case of difficulties in solving them independently, in particular in relation to Russian linguistics and literary studies and contextual knowledge of Russian studies.	The student is ready to draw on scholarly knowledge when solving research problems in the field of Russian linguistics and literary studies undertaken in the master's thesis, and to seek the opinion of the supervisor and other experts in case of difficulty in solving them independently.	[SK1] oral statement/conversation/discussion [SK3] text preparation/written work
	[FROSMU2_U12] The graduate is able to independently plan and implement their own lifelong learning and guide others in this area, particularly in relation to issues relating to the Russian language and literature.	The student is able to independently plan and carry out the development of their own linguistic, research and interpretative competences related to the Russian language and Russian literature. The student can identify their own educational needs, set learning goals and select appropriate sources of knowledge, tools and forms of improvement. The student is able to systematically update their knowledge in the field of Russian studies, linguistics, literary studies and related disciplines. The student is able to support others in planning research work and developing competences related to the analysis of the Russian language, Russian literature and the culture of the Russian-speaking area.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[FROSMU2_W11] The graduate has an understanding of concepts and principles related to intellectual property protection and copyright, as well as the necessity of managing these rights.	Knows the principles of using bibliographic sources, proper citation and marking of used sources in the text of the thesis.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
	[FROSMU2_W04] The graduate has an in-depth knowledge and understanding of the terminology used in literary studies, particularly applying to research on Russian literature.	The student knows the literary terminology appropriate to the development of a selected topic of the diploma thesis; explains the conceptual scope of the terms	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
	[FROSMU2_K01] The graduate is prepared to critically evaluate their own knowledge and the content they encounter in linguistics, literary studies, and related fields, particularly in relation to issues concerning the Russian language and Russian literature.	Subjects the prepared concept of the diploma thesis to continuous evaluation in the context of the consistency of the idea with the possessed subject knowledge; critically evaluates the prepared fragment of the thesis	[SK1] oral statement/conversation/discussion [SK3] text preparation/written work

	Course outcome	Subject outcome	Method of verification
	[FROSMU2_U02] The graduate is able to independently search, critically analyse, evaluate, select and integrate information, using appropriate source materials, in particular with regard to issues related to the Russian language and Russian literature.	Is able to select appropriate subject literature and analyze source texts appropriate for developing the subject matter of the diploma thesis.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
Subject contents	The content covered during classes depends on the topic of the seminar and the instructor. They consist primarily of issues related to the subfield, as well as methodological issues, knowledge of which is necessary when preparing works of a specific profile.		
Prerequisites and co-requisites	Choosing a seminar; knowledge of the Russian language enabling the preparation of a dissertation and the implementation of the assumed learning outcomes.		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	bibliography	51.0%	30.0%
	introduction	51.0%	35.0%
	table of contents	51.0%	35.0%
Recommended reading	Basic literature	To be chosen by the instructor depending on the discipline of the seminar - linguistics, literary studies	
	Supplementary literature	To be chosen by the instructor depending on the discipline of the seminar - linguistics, literary studies	
	eResources addresses		
Example issues/ example questions/ tasks being completed	1. Anti-war posyl musical pro-states 24 February 2022 .2. "Three volna" of the Russian esoteric Renaissance.3. Bulgakov in culture I .4. Tactics of solidarity in opposition to President Vladimir Zelensky (2022-2023 .)5. Effemissance of the Russian military discourse: analyzes of the 2022-2024
