Subject objectives	The aim of the course is to familiarize students with the most important achievements in the art of the first half of the 20th century, with particular emphasis on the exchange of ideas between representatives of various art movements and styles, as well as their creative dialogue with global art throughout the ages. Students will acquire systematic knowledge about the history of contemporary art. They will learn to recognize the basic techniques of constructing meanings in the art of the first half of the 20th century and develop the ability to analyze and interpret works of art.
